

## FELT JELLYBEAN SEWING GUIDE

1

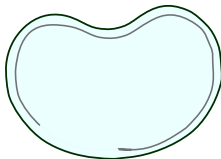

Using the jellybean pattern above, cut out 2 pieces from felt. On one side of the felt piece, dot a guide with an ink pen for the eyes and mouth and loop stitch the details along your guide.

2

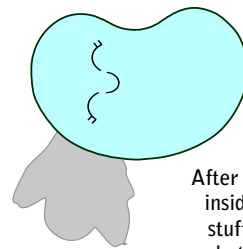

Align your two cut felt pieces on top of each other, making sure that the good side of the stitched face is facing inwards.

3

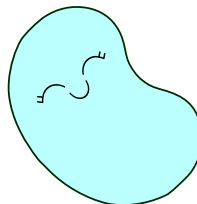

Backstitch the felt pieces together and stop stitching about 1 to 1.5 inches from the starting point to leave an opening. Flip the assembled felt inside out through this opening.

4

After flipping inside out, stuff with batting.

5

Close stitch opening and enjoy cuteness!
